

New Sweet Monday Outreach

Sweet Ann Knopp in Greeneville, TN, on Sweet Monday, October 4, 2010

We had our first Sweet Monday tonight and it was a wonderful success!

We decided to have it in one of our members' barn with a bonfire and soup. We used [Volume 4](#), and had a Souper Sweet Monday. Five women made various soups (potato, broccoli/cheese, shrimp chowder, vegetable, chili and cheeseburger soup). All were extremely delicious as was the homemade Mexican and regular cornbread and foccacia bread. It was on the chilly side but we all wore coats and sweatshirts and truly enjoyed the fellowship in the barn.

Everyone gathered in the middle of the barn for conversation time and devotion and then made s'mores over the bonfire before ending at 8:30pm.

The woman that hosted created sweet nifty ladles with scarecrows in them as decorations in the barn and then announced that everyone would be able to take one home at the end.

Our church (Tusculum Baptist Church) has really been needing time to get together as women and I am so thankful that our youth minister's wife told me about this.

Sweet Ann
