

Jamie Breeden's Bio

After working for the Commonwealth of Virginia for 25+ years, Joyful Jamie (that's what Sweet Kim Newlen called her) sensed God's leading to work full time in ministry. When Sweet Monday decided to hire an office manager in 2005 and once she and Kim met, the rest was sweet history! Jamie felt her gifts and talents would be honoring to God and His Kingdom; and her experience and background in administration, attention to details and caring for others would be an ideal fit.

Joyful Jamie loves the Lord; and Sweet Monday was a match made in heaven. Not only is she able to share God's word and love with women every day on the phone or through emails and Facebook, she also has the joy of encouraging and serving others. She loves sharing Sweet Monday's vision and assisting women in offering simple and fun socials in their homes and churches.

Joyful Jamie enjoys participating in and leading Bible studies, traveling, crafting and baking! She is an aunt to three wonderful nieces and many great nieces and nephews. Jamie shares her home with her buoyant and exuberant Llewellyn English Setter, Briggsby.
